Change in Zengun Group AB's management

Stefan Lindh, CFO of Zengun Group AB (publ), is stepping down at his own request.

Stefan Lindh has been part of Zengun from the very start and has held roles in all parts of the Group's accounting and treasury function. He will remain with the company for a transitional period to safeguard the handover to those who take over to continue developing Zengun.

"Stefan is a valued colleague who has been part of laying the foundations for the Zengun we have today. His knowledge has contributed to the financial stability the company currently enjoys. I would like to take this opportunity to thank Stefan for his efforts over the years," says Mick Salonen Högberg, President and CEO of Zengun.

Driving projects drives Zengun. We operate in the Stockholm region, in close collaboration with customers and always with the project and people in focus. We help property owners improve their property portfolios in each project by offering know-how and skills as a collaboration and sustainability partner throughout the entire lifespan of the project. We build commercial properties, with a mix of select public-sector properties and residential projects. We take the long term into consideration for our employees, customers and surroundings, and are constantly developing to make each project a reference project. In 2021, Zengun had sales of approximately SEK 1.8 billion and 130 employees. #zengunbyggerstockholm
